10 Questions Andrew Burnham still not answered: Pandoras Box open: [Pandoras Box](#)

Stephen Watsons guys were a no show, Kate Green didnt fulfill what she said she'd do 14.12.23 at Stretford Town Hall, Andy Burnhams Q&A (Filtered & Managed for Livestream recording) Witnessed by Stephen Watson and three onlookers.

NOTICE OF CONDITIONAL ACCEPTANCE ~ TRAFFORD METROPLOITAN BOROUGH COUNCIL ~ GMCA

A Long intro and a sign of the times we are witnessing. I look out of my window today and still see the geoengineering that i have helped to fund. No More: <https://www.geoengineeringwatch.org/> 0700 12.04.24. WEF Luftwaffe chemtrails.

I have placed many questions to UK Government Departments. Freedom of Information Requests. Un answered. Accounts closed.

I have put a number of documents with reasonable questions into the hands of TMBC staff and Andrew Burnham. Un answered. Received limp threatening letters from faceless TMBC officials and their LEGAL DEAD ENTITY complicit partners in crime.

You have had more than enough time to correct the wrongs you have done to UK Men Women & Children if you had any remorse. GMCA, Trafford Council included.

You have not stopped the jabbing of those who are in your so called wards, you had a duty of care. You have followed the N191 Protocol. See Pandoras Box.

RECENT EVENTS

The lies that are told in order to move people out of the way are being exposed. IoM Police comprehend this, they have first hand experience and now a solid case study locked up. I look forward to courtenays next book.

Whistleblowers are now coming out of the woodwork feeling its safer now than ever before . The numbers of wide awakers are increasing. How did you expect to get away with it?

A True Story.

I attended an event in Glastonbury recently. Two speakers both interesting talks, both whose experience i have benefitted from.

One from health, one from knowledge and symbolism. The Occult (Masons ~ Common Purpose) & UK Government.

During an interval a man spoke to one of the speakers and in the second relevant section, told his story.

Hed worked in the medical records office of criminal investigations linked to Doctor Harold Shipman and the NHS DNA profiling data was his area of expertise. https://en.wikipedia.org/wiki/Harold_Shipman

Shipman was supposed to have murdered an estimated 250 men and women in order to financially benefit and for his warped self gratification.

Our informant stated the figure was far greater, it was over 3000. The Police & NHS knew. They just let it happen. N191 confirmation. Knowledge of circumstance. You all know now. Audit trail.

Weve had dodgy photos of Kate Middleton who i have on good authority is no longer with us. Unfortunately Kate was an MK Ultra student whose use has now passed.

The UK Government will probably use the storyline to push a wonder drug to cure cancer delivered in a WEF WHO NHS vaccine.

Transcript

Thank you very much for giving me this valuable opportunity to send my message about human rights abuse in the time of COVID-19. My name is Masayasu Inoue, Professor Emeritus of Osaka City University Medical School. My specialty is Molecular Pathology and Medicine.

The pandemic was used as a **false pretext by the WHO to drive vaccinations of all peoples in the world**. A plan was set up to shorten the time to develop vaccines, which usually takes longer than ten years to less than one year. **Operation Warp Speed**. This operation was used to **cover up the misconceptions of the genetic vaccines**. Under the **pretext of saving time, an extremely dangerous method was selected**.

That is, intramuscular injection of viral genes to **produce toxic spike proteins directly in human tissues to stimulate immune system**. Because this **is a completely new method and misconceived method that has never applied before in human history**, it is **impossible**, therefore, **for most of doctors to give proper informed consent**. However, due to irresponsible government and media campaigns to promote vaccines, 80% of the Japanese has been vaccinated.

Unfortunately, seven shots have been done so far. This is the most and worst in the world. And **the result was the induction of the terrible drug induced injury that has never seen in human history**. I believe that the fraudulent use of **experimental gene therapy** to healthy people, particularly to healthy children, is an **extreme violation of human rights**. However, Keizo Takemi, Japanese Minister of Health, Labor and Welfare, has been insisting that there is no serious concern about the injury caused by **genetic vaccines**. And without learning from the current situation of injured patients, they plan to construct a new vaccine production system in preparation for the next pandemic. **This is an unbelievable, crazy situation**.

Professor Masayasu Inoue explained the madness that Japan are leading with and 80% of the Japanese population followed like lemmings. Probably very honourable in their culture but not for me thank you..

The LED Street Lighting and 5G issues are well recorded with Trafford and GMCA/ GMP. Cant say they were not informed. Case Study 5 Part 2 We The People: <https://www.we-the-people.co.uk/part-2-case-studies>

The company behind the applications for 5G has a number of questions around it and we now have a good case study with the Sale Moor 5G mast. Primarily does the company exist? How well is it hidden etc.

You see, he who asks the questions controls the conversation and they who do not answer who are in public office have to comply with the Nolan Principles and in this specific case study, The Nuremberg Code.

Delivered

Dear Trafford Metropolitan Borough Council,

This WDTK is supported by two Letters Before Claim, Mike Kane MP and Eleanor Roaf, TMBC Director for Public Health. A more complete FOIR requesting a response in 7 days, dated 30.01.23 that will be sent on completion to Eleanor Roaf, Tom Ross, Andrew Western, Andrew Burnham and

the circulation list. The questions are to identify those parties involved in the decision making enabling a compartmentalised Biological Chemical Weapon attack be launched alongside the implementation of a 5G EMF target acquiring trigger in Trafford.

This specifically looks at the Sale Moor mast implementation in the centre but is not exclusive to this one installation as the wider intended outcome is to reduce the UK population to 15 Million by using a combination of 5G technology and Bioweapons labelled as COVID-19 injections by 2025.

Next Cancer Cure injections will follow..

The questions never answered the account closed down. SILENCE IS SUICIDE.
Pandoras Box is OPEN.

As they say in Dragons Den. Im out

As per the Monty Python **DEAD PARROT** sketch that is as funny today as it was in my youth.

Door Opens "Ring Ring" The door bell sounds. John Cleese (Mr Prailine) says to Michael Palin.

Hello I Wish To Register A Complaint. Hello Miss, Palin says " What Do You Mean Miss"

Cleese: Sorry I Have A Cold. Today hed probably say **LONG COVID.**

<https://www.youtube.com/watch?v=4vuW6tQ0218&t=90s>

It represents a breakthrough in British Humour. We Brits do humour well.

But we dont like people taking the piss, theres a limit. Its rude.

The sketch now represents to me how the UK Government , Police and Councils have acted. Poor Service, in fact Criminal.

Palin represents statutory UK Officials, MPs UK Govt attitude. Mr Prailine/ Cleese those left standing after this marathon psyop attack.

THE PARROT represents those poor souls that fell for your bullshit and the families mourning as you dictated the narrative of psychopaths and murderers or WEF/WHO controllers, the hidden hand.

Remarkable Bird The Norwegian Blue ~ Beautiful Plumage.

The Norwegian Blue never existed. The sketch was purely about poor customer service. A lesson learned.

I will finish on courtenays line. No Virus No Test No Contagion. Your Virus. It never existed.

We Know Who You Are RACI follows. You have given CRAP customer service. Im looking for a refund.

NOCA follows Halsburys Laws of England applies. Bouviers Maxims of Law apply.

Enjoy the weekend

Today we have had a number of significant events taking place.

1. Westminster: <https://saveoursovereignty.co.uk/> Highlighting the hijack of the UK democratic system or WEF/ WHO Treason and Genocide against the UK Public. Europe. International terrorism and attempt to get the planet population down to 500 Million. A Coup De Tat. Witnessed.
2. Dr Craig Wright BSV Bitcoin v BTC BCH Bitcoin Others : <https://www.judiciary.uk/judgments/crypto-open-patient-alliance-v-dr-craig-steven-wright-and-dr-wright-v-various/> who is Satoshi Nakamoto and who created the Genesis block on the blockchain. Tulip Trust etc.
3. GMCA RACI v0.7 content and Cover Letter v0.3 sent via Post Office Track and trace to DI 16455 Osmond at address Openshaw Complex, Lawton Street M11 2NS: Track Trace Signed for: <https://www.royalmail.com/track-your-item#/tracking-results/NY886430783GB> ETA 1PM 06.02.24

Within the pack for GMP is the document set previously sent and copied to the Police & Crime Commissioner Andrew Burnham/ Lord Mayor.

1. Cease & Desist Rebuttal Document set.
2. An introductory Letter to the GMCA RACI. v0.7 this is a working document that will have follow on iterations therefore constantly being updated. A separate linked email will go to DI 16455 Osmond. We can work on this document set together its all within INT/06A1/0004545/21
3. A copy of the South African Pfizer contract. This has been highlighted with glaringly obvious points that support that the UK Government & Local Council Leaders, DPH's / NHS senior staff were more than aware that Pfizer and other jab suppliers were more than likely dishonest in stating that vaccines were safe and effective. Pfizer didn't even know this as they have put it in the SA Contract terms. We need the UK Govt contract copies unredacted of all UK jab suppliers. The dates are key as these will confirm the genocide and against the audit trail of evidence to confirm who dunnit, We already know but this seals the deal so to speak. There are a whole range of issues with this contract and it could be likened to Pfizer rolling a live hand grenade across the floor, pin out and saying, its all yours SA/UK etc. Whoever signed it was either a madman/ woman or it confirms genocide was the intention. GMCA RACI v0.7 provides the linked evidence.

Im sure whichever Charles they have put forward didnt have 'the jabs as he is a WEF member. Wishing him or whoever it may be a speedy recovery.

Still no relevant response, time wasting, lies and no meeting arranged nor have Trafford Police Officers or Constables called me or contacted me as Stephen stated they would 14.12.23 Stretford.

In truth i expected this but its all part of the process and evidence build. Kate did you address the 10 Questions for Andrew Burnham? Probably not. More fudge.

I'm sure it has no links to fraud, theft, freemasonry, child trafficking, SRA or common purpose? https://www.projecthague.com/files/ugd/b7619c_41c9ac8f11ce4225b8ad78cdae97938d.pdf : https://www.usfiles.com/ugd/2c6f37_341df4ddb6c04b32817b1a0fb49f6d00.pdf : https://www.usfiles.com/ugd/2c6f37_ef489bd5232a4d0ea3bc3c5899b91bae.pdf

The Silence. The reason i feel is that now the cat is out of the bag and you have all been caught out it becomes extremely difficult to hide from the truth and there is nowhere to run or disappear and as in the tale of Pandora's Box, there is no way you will stuff back in what is now in the public domain. Nothing you can say without further incriminating yourselves for lack of previous action. You are well and truly exposed.

You cant say you didn't know as this email trail going back to October 2020 gives the game away. Recent expose's linked with ex GMP Detective Maggie Oliver says GMP have a major problem internally, we know others have as protecting bent politicians, bankers and paedophile networks takes up a lot of your time and energy. There are many of us now exposing the lies and seeking the truth and bringing remedy. Wed gladly 100% back a force that wasn't corrupt but you have made life very difficult for those who have been paying your wages and not getting service. Game Over.

Thanks to those i' have met along the way who have real integrity, grit and honour. They know who they are we speak often. I thank you.

This is not just about GMP but UK Police Forces generally, you are totally out of control. The orders you are following are intended to subvert the course of true justice, turn civil to criminal and enabled the Bankers to wreck the economy. Those controlling the NHS via Matt Hancock's intro Nicole Junkermans team from Mossad and DVD enabling them (NHS) to jab the living daylight out of the elderly and those confused by the whole geo political state of affairs simplified by calling it the N191 Liverpool pathway or a similar UK Govt notation. Silence is Suicide: <https://www.bitchute.com/video/LVaTza12GTZ7/>

This method of murdering the elderly was delivered in Abbotswood Care Home by stand in NHS Assassins posing as health workers as did Harold Shipman.

Good work by Courtenay and others on the Isle of Man proving the system murderous and fraudulent. <https://justiceforjabbed.im/> : <https://www.iomtoday.co.im/news/anti-vaccine-campaigner-found-guilty-of-stalking-leading-isle-of-man-scientist-660906> how to stitch up someone telling the truth.

As you will see in the GMCA RACI DI 16455 Osmond. Mike Kane MP has two DUNS numbers: 212074881/ 223246626 and Andrew Burnham as Police & Crime Commissioner has one. 217796373. Clearfield doctrine effectively wipes out their authority and jurisdiction.

The UK would like to thank the Director General (DG) for his excellent report and congratulates the **WHO on its many successes in 2023.**

We want to recognise WHO's important work and pay tribute to the dedication of WHO staff in responding to numerous ongoing health emergencies, **including Ukraine and Gaza.**

2024 is an important year for WHO. The UK looks forward to a successful Investment Round underpinned by a new General Programme of Work (GPW) that sets out clearly WHO's priorities. WHO's unique added value in the global health architecture will help accelerate progress towards the SDGs, taking a gender-responsive approach.

There you have it. The Results show how important and profitable it can be to murder 1 Million in the UK and the new Turbo Cancer Pandemic from getting jabbed with a bioweapon comes next: <https://www.canceractive.com/article/turbo-cancer%20%20the%20new%20pandemic>

Andy Burnham testimony under oath following the WEF/ WHO lies and deception as dictated to by the Bankers. DUNS number: 217796373. Which Oath did he take and to who? To tell the whole truth and nothing but the truth apart from the fact there was no virus just a an attack by a bunch of international terrorists against humanity. Andy well done you played the concerned character well. Remember Stockport, Burger with Burnham. Your talking shite you said to the guy when asked about people dropping dead.

So now there are over 1 million UK men women and children that have dropped dead and heart disease is in excess of 100,000 cases over the norm, turbo cancers, is this still shite? Died Suddenly Full Documentary: <https://rumble.com/v1wcs7o-died-suddenly-2022-full-documentary.html>

In England and Wales those who decide to become police officers take an oath at the point of becoming a constable. The oath, or attestation, is set within the legislation of this country, and is as follows:

“I do solemnly and sincerely
declare and affirm that I will well
and truly serve the Queen in the
office of constable, with fairness,
integrity, diligence and
impartiality, upholding

fundamental human rights and according equal respect to all people; and that I will, to the best of my power, cause the peace to be kept and preserved and prevent all offences against people and property; and that while I continue to hold the said office I will to the best of my skill and knowledge discharge all the duties thereof faithfully according to law.”

I now have v0.6 of the GMCA RACI a working document. Not complete, work in progress. This will set the ball rolling and help expose those men and women in Manchester that have been a party to taking down the UK economy and allowed UK wide over 1 million to be killed with a Bioweapon. Its a template that can be adapted. A physical copy will be posted to DI 16455 Osmond and soft copy emailed. <https://expose-news.com/2023/12/05/death-sentence-covid-vaccine-1-million-deaths/> DI Osmond 16455 this is where your investigation starts in Greater Manchester.

This is a crime report with initial evidence and some of the main characters involved in the crimes and links to documents sent to those who have assisted and covered up. We will develop the questions together, we have a starting point.

There's a historical element to this also as a foundation. **Quote : Those Who Cannot Remember The Past Are Condemned To Repeat It. George Santayana.**

Day by day further data is now coming through the most interesting piece recently was the 200 x microscope magnification of the self assembly bot created by graphene oxide component nano bots coming together from COVID19 jabs.

If jabbed stay away from SMART meters LED Street Lighting and 5G masts also Wifi as you can now be remote controlled if you dont have a cardiac arrest before hand.

This is what the DPH's such as as Eleanor Roaf who did a runner from Trafford after being put on Notice was meant to tell you about. TMBC Parts 1/2/3 followed.

ZEEE Media Report.'

Dr. David Nixon joins us to reveal footage NEVER before seen anywhere in the world – real time footage of the nanotechnology inside the COVID-19 injections assembling robotic

arms that guide the nanotechnology development.

3 hours of footage speeded up for the viewer. 4 drops of Pfizer Vaccine recorded in an EMF field. Think WiFi SMART meter/ LED Street Light or 5G impact and why they need a fibre backbone putting in rapid!! Controlling the jabbed needs fast fibre networks.

We also are seeing the mortgage fraud and land registry collusion breakthrough in Eire that will impact 150 or more jurisdictions including England & Wales. This is a national issue but was covered up by GMP CYCLOPS 1146/12 and more recently Police & Crime Commissioner Andrew Burnham. CYCLOPS 1146/12. Bait & Switch, Bait & Snatch Communication cover up DI Osmond 16455 on behalf of Stephen Watson Chief Constable.

The data will be in the GMCA RACI but a sneak peek at the video recorded yesterday will ready you for what is about to happen, Mike Kane MP and APPG Banking, HM Treasury and Land Registry take notes. CYCLOPS 1146/12 is bigger than the Post Office scandal and covers around 11 Million UK mortgages and addresses the missing £1.8 Trillion from UK coffers. It will be far more now.

Id say the net is closing in and what follows will see an expose' to end all expose's. Barry Young the NZ whistle blower has blown the lid off the jab stats and those with honesty and integrity are about to batter the living daylight out of the lies and medical deception we have endured for decades.

Mike Kane MP 5th February Parliament. Be There. <https://saveoursovereignty.co.uk/> No Virus, No Test, No Contagion being the truth that may not be mentioned as too many have made a living falsely based on the Rockefeller Medical leverage.

Chief Constables can you arrange to have this linked poster placed in all Police Stations. The WHO WEF Nazis are mid power play and we wouldn't want the Police and MPs assisting them in further criminal acts. This is a CRIME REPORT please take action.

A final note. Trafford didnt dispute my invoice they just didnt pay it. Its overdue. I can see though Andy Burnham it is you that is pulling the strings across GMCA as you called the Pandemic team together for GMCA and covered up the Bait & Snatch 22 Birchview. It will be forwarded to yourself . Thanks

This is a CRIME REPORT leading to The GMCA, RACI. Responsibility, Accountability, Consulted, Informed. Nolan principles apply. <https://www.gov.uk/government/publications/the-7-principles-of-public-life/the-7-principles-of-public-life--2>

In the world of business we analyse business operations through a review of People and what they do, Processes followed and Systems used. A number of experiences and outcomes are captured. Results and strategies identified.

The RACI tool is effective in identifying where Responsibility and Accountability for business rules implemented and where decisions are made are successful or not and identify those staff or teams that that have not performed or in this case have committed misconduct/ malfeasance in public office or now genocide.

Those business decisions or policies that make or break businesses and in this case impact the health, welfare and economic stability of Mancunians can be identified through question sets presented and the responses received. The evidence available at any period in time gives us a snapshot on how well they have performed in public office. In this scenario we are looking at an attack on humanity and specifically the case study where Trafford and GMCA staff alongside certain MP's have enabled an excess death rate to steadily increase, data starting 2020 and beyond.

This will be an ongoing process but we now have enough data and responses to form the Greater Manchester Combined Authority case study and RACI.

The GMCA case study will be a blue print for many towns and cities. People who want to follow the same steps in identifying those members in public office, paid to ensure we all have a safe productive environment in which to live. They failed and many have now been identified.

The final piece of data was received dated 12th January 2024, 8333540, GMCA, enabling two functions to now be completed.

1. An Opportunity to Cure based on Notices to Date including those with ex Trafford DPH Eleanor Roaf who decided it was best to get out of the way, impossible. Mike Kane MP the Westminster gatekeeper preventing the financial questions being asked after 16.10.18 of Treasury Minister John Glen re CYCLOPS 1146/12 and the missing £1.8 Trillion Banks to HMRC and UK Govt money laundering via 923 Finchley Road. Richard Roe for not getting the answers to coloration of 5G and Jab related issues and backdooring harmful technology that will lead to further deaths on 5G go live. <https://www.microwavedvets.com/>. These further excess deaths will be above the existing figures after COVID 19 Jobs have been identified as

- Bio Weapons containing graphene oxide and many other nasties. 10 Questions Andrew Burnham document sets have the details. Tracked Traced Signed for SW,KG,AB. Unanswered. Verbal promises by Kate Green and Stephen Watson 14.12.23 no action to date. 30 day expiry 15.01.24. Covid Inquiry testimony under Oath Andrew Burnham.
2. The RACI document now has its final input pieces available given that GMCA failed to supply the data required that would help identify the number of deaths and cause. This data is available as it was passed by the UK Government to Pfizer, Astra Zeneca and other mRNA jab manufacturers.

These documents will be combined. DI 16455 Osmond please take note this email trail is critical if you really want to find criminals and solve true crime.

At this point id like to draw your attention to the debate on excess death trends Hansard, Volume 743 Tuesday 16th January 2024. Qualifying statement. No Virus, No Test, No Contagion. <https://justiceforjabbed.im/> Christine Anderson MEP. COVID. " The Biggest Crime Committed on Humanity".

Video on Youtube: <https://www.youtube.com/watch?v=-ej5Se4gMRA&t=100s> : Transcript available. As i write this mail 10,400 comments and rising.

Id listen to the whole session but the final third is where the confirmation that the data I requested is confirmed available but only to those BIG PHARMA CORPORATIONS who will profit from the purchase of drug companies that purport to fix the issues caused by the COVID 19 jab contents such as cancer and heart related disorders for profit. Follow The Money. There are about to be a few more Baroness Michelle Mone moments i feel as we progress.

GMCA, It would appear your efforts to prevent the truth from getting out by xxxxxx ing out the email address (dhsc.publicenqxxxxx@xxxx.xxx.uk) for the possible source only goes to confirm that the Information Governance Team of GMCA under the Control of Andrew Burnham and Kate Green knows the information is there. You sent it to them.

Furthermore regarding minutes from your internal meetings requiring more than 250 hours work to bring together? As it takes more than 18 Hours it cant be done? Your response. Thanks, hopefully GMP pick up on this statement as its evidence of a cover up.

250 Hours of work divided by 10 DPH's 25 Hours a piece roughly would get the answers for Mancunians to know who is possibly liable for mass murder and genocide in Greater Manchester. I'm afraid you've dropped the ultimate clanger. Noted not signed. Information Governance Team?

Personal liability issues can be a tricky one when you know you are caught out.

DPH's would have required this information to do their job properly. As would any self respecting faulty product manufacturer or distributor would put out for a recall of faulty products, stops the use, unless committing genocide or democide is the intention, as in this scenario.
