This is a Crime Report. Please place all received data in GMP intelligence gathering file INT/06A1/0004545/21 and Met CRN 6029679/21 also CRIME NUMBER 01/62447/24 Acton Police Station 23.13 Friday 8th March 2024.

10 Questions Andrew Burnham still not answered: Pandoras Box open: [Pandoras Box](#).

This text is now my standard opening introduction or preamble. This provides knowledge of circumstance to all parties and Police forces in the United Kingdom. GMP, GMCA, TMBC. The Greater Manchester data is now available through <https://www.thetnb.co.uk/> Work in Progress.

I was going to leave my next mail for a week or so but an urgent matter that the Police on the Isle of Wight & Hampshire also Met Police are aware of was again brought to my attention. Crime references below. Previously id connected professionals in an area that requires specific knowledge i do not have.

I was asked two days ago by the family concerned was there anything i could do to escalate the urgency around a little girl eveayah who has been placed in the care system without following the established due process in these matters.

I asked for an email with written permission before ive sent this email as the subject matter is around a minor held within the care system but it is thought that the child is being abused within that system. Confitrmation and independent report required and investigated independently.

I asked the grandmother to provide 10 issues that you all needed to be made aware of. An independent social worker we know gave a view on the urgency.

The 10 issues follow the text and email permission to report to England & Wales Police Chief Constables was confirmed.

Fri, Apr 26, 10:4

I Juliette.Debra Lewin give Bruce Lamb permission to write to all police forces and police officer ranks regarding my Granddaughter Eveayah.Renew Wright and my daughter Paige.Renew
Juliette.Debra Lewin

Copy of written permission will be provided from Paige Renew (Mother) to Juliette Lewin to act on her behalf. This will be provided to the Police Constable or Officer that decides to take the correct course of action.

The independent social worker commented after discussing with Juliette that **"A Police Protection Order Is Needed And Return of The Child To Siblings & Grandmother & Full Assessment Made"**

<https://frg.org.uk/get-help-and-advice/a-z-of-terms/police-protection/>

Extract:

The police have the power to remove a child to a place of safety in an emergency. Their power to remove the child is set out in section 46 of the [Children Act 1989](#). The powers can be used in emergencies, where a child might suffer [significant harm](#) if they were not removed. For example, this power might be used if police are called to a home and discover that a young child has been left there alone. They may also use this power to keep a child in a specific place. For example, in hospital.

[Social workers](#) may ask the police to use police protection if they are worried that a child is in immediate danger, but they do not have time to apply to the court for an [emergency protection order](#). Such a request should only be made if there is no other option.

<https://frg.org.uk/get-help-and-advice/a-z-of-terms/children-act-1989/>

This is the main source of child welfare law for England and Wales. The Act seeks to ensure that every child is kept safe and protected from [harm](#). Its main purpose is to ensure that the welfare and developmental needs of every

child are met.

The Act provides the basis in law for most of **children's services'** duties and responsibilities towards children and their families. It also provides the legal framework for the **child protection** system.

In particular, it places a duty on children's services to:

- Identify **children in need**. Children's services should provide services and support to children in need so that they may be brought up safely within their own family.
- Make child protection enquiries whenever there is reason to think that a child is suffering, or is likely to suffer, **significant harm**.

1, Eveyayah being taken without due process being followed E should not of been removed there was no grounds to do so

2, concerns around doctors that have been involved with E. An investigation has been open within st Mary's hospital. I am waiting for a reply of the outcome all evidence of harm was emailed to Pals with a written statement from myself.

3, Isle of Wight police refusing to take a statement with evidence social services have lied throughout court documents removed my granddaughter unlawfully and should have been placed back with me where her other 2 sibilings reside with me . evidence off E being drugged physically harmed. Sexual abuse can not be ruled out. DS Alexandra Dale at Isle of Wight police station. We have video evidence of this.

4, police cancelling a ambulance at my contact with my granddaughter (video footage)

5, we had to go out of our police force to metropolitan police who had grave concerns when taking evidence that ended with a crime number being created for neglect and child abuse. I will attach.

6, three crime numbers have now been created two of which was created in Portsmouth police station.and one from metropolitan police. DS Robertson from Isle of Wight police shut down both crime numbers from Portsmouth.

7, allegations of child abuse made on the 20/1/24 with drugging and then again on 16/2/24 allegations of child sex abuse and needle marks Outer of hours mash team and police where informed. E should have been escorted to hospital within 24 hrs for a CSA medical this never happened due process was not followed. After pushing for a medical 3 days

later E was taken to hospital but only had a CP medical due process was not followed.

8, 100s of calls to 999 and 101 have been made with 2 formal complaints from myself to 101.

9, E continues to be harmed needle marks that can not be accounted for. Finger bruising every week in nappy area and on face. A draconian Contract was created by social services permitting us to take photos or videos of harm being caused to E. They stopped us being able to change her nappy at contact. Contact yesterday with father 25/4/24 photos taken by social worker c showing bloating and swelling all over Es body. E did not look like this at last contact on 18/4/24 concerns that what ever they are injecting her with is having a detrimental effect on E.

10, on the 4/4/24 an order was made by HH Judge Ellis for myself to file a written Evidence statement with evidence attached of the harm that is being caused to E and show evidence that social services have lied throughout the court hearing beginning to end. I have 100s of irrefutable evidence which can be proven in the right court of law from start to finish there is nothing that I don't have.

If you need anymore information pls let me no

As you will see we have a little girl, eveayah in what appears to be grave danger. It is the Police' job to protect property, prevent harm , uphold the rule of law.

Who is I Property? The little girl cannot convey this so her mother Paige gave her mother Juliette the grandmother permission to act on her behalf. I am conveying the message to yourselves.

As it is imperative you act swiftly id like DI 16455 Osmond who monitors my emails and has previously warned me of communicating using this forum to work with the forces concerned to make sure that the little girl is safe and will be returned to the safety of her siblings and grandmother.

Then a full independent investigation into what has taken place and who has allowed this to happen should follow.

This message trail i know is read by a few in the police force in greater manchester as Police & Crime Commissioner Burnham doesnt like questions being asked in open forums by myself.

Other forces i get email responders from acknowledging receipt. Thankyou.

This case is one of many across the UK but its urgency is paramount. The family believe eveayah is at risk and its your job to mitigate the situation. Thanks

Bruce

NOTICE OF CONDITIONAL ACCEPTANCE ~ TRAFFORD METROPOLITAN BOROUGH COUNCIL ~ GMCA

A Long intro and a sign of the times we are witnessing. I look out of my window today and still see the geoengineering that i have helped to fund. No More: <https://www.geoengineeringwatch.org/> 0700 12.04.24. WEF Luftwaffe chemtrails.

I have placed many questions to UK Government Departments. Freedom of Information Requests. Un answered. Accounts closed.

I have put a number of documents with reasonable questions into the hands of TMBC staff and Andrew Burnham. Un answered. Received limp threatening letters from faceless TMBC officials and their LEGAL DEAD ENTITY complicit partners in crime.

You have had more than enough time to correct the wrongs you have done to UK Men Women & Children if you had any remorse. GMCA, Trafford Council included.

You have not stopped the jabbing of those who are in your so called wards, you had a duty of care. You have followed the N191 Protocol. See Pandoras Box.

RECENT EVENTS

The lies that are told in order to move people out of the way are being exposed. IoM Police comprehend this, they have first hand experience and now a solid case study locked up. I look forward to courtenays next book.

Whistleblowers are now coming out of the woodwork feeling its safer now than ever before . The numbers of wide awakers are increasing. How did you expect to get away with it?

A True Story.

I attended an event in Glastonbury recently. Two speakers both interesting talks, both whose experience i have benefitted from.

One from health, one from knowledge and symbolism. The Occult (Masons ~ Common Purpose) & UK Government.

During an interval a man spoke to one of the speakers and in the second relevant section, told his story.

Hed worked in the medical records office of criminal investigations linked to Doctor Harold Shipman and the NHS DNA profiling data was his area of expertise. https://en.wikipedia.org/wiki/Harold_Shipman

Shipman was supposed to have murdered an estimated 250 men and women in order to financially benefit and for his warped self gratification.

Our informant stated the figure was far greater, it was over 3000. The Police & NHS knew. They just let it happen. N191 confirmation. Knowledge of circumstance. You all know now. Audit trail.

Weve had dodgy photos of Kate Middleton who i have on good authority is no longer with us. Unfortunately Kate was an MK Ultra student whose use has now passed.

The UK Government will probably use the storyline to push a wonder drug to cure cancer delivered in a WEF WHO NHS vaccine.

Transcript

*Thank you very much for giving me this valuable opportunity to send my message about human rights abuse in the time of COVID-19. **My name is Masayasu Inoue, Professor Emeritus of Osaka City University Medical School. My specialty is Molecular Pathology and Medicine.***

*The pandemic was used as a **false pretext by the WHO to drive vaccinations of all peoples in the world.** A plan was set up to shorten the time to develop vaccines, which usually takes longer than ten years to less than one year. **Operation Warp Speed.** This operation was used to **cover up the misconceptions of the genetic vaccines.** Under the **pretext of saving time, an extremely dangerous method was selected.***

*That is, intramuscular injection of viral genes to **produce toxic spike proteins directly in human tissues** to stimulate immune system. Because this is a **completely new method and misconceived method that has never applied before in human history,** it is **impossible, therefore, for most of doctors to give proper informed consent.** However, due to irresponsible government and media campaigns to promote vaccines, 80% of the Japanese has been vaccinated.*

*Unfortunately, seven shots have been done so far. This is the most and worst in the world. And **the result was the induction of the terrible drug induced injury***

that has never seen in human history. I believe that the fraudulent use of **experimental gene therapy** to healthy people, particularly to healthy children, is an **extreme violation of human rights**. However, Keizo Takemi, Japanese Minister of Health, Labor and Welfare, has been insisting that there is no serious concern about the injury caused by **genetic vaccines**. And without learning from the current situation of injured patients, they plan to construct a new vaccine production system in preparation for the next pandemic. **This is an unbelievable, crazy situation.**

Professor Masayasu Inoue explained the madness that Japan are leading with and 80% of the Japanese population followed like lemmings. Probably very honourable in their culture but not for me thank you..

The LED Street Lighting and 5G issues are well recorded with Trafford and GMCA/ GMP. Can't say they were not informed. Case Study 5 Part 2 We The People: <https://www.we-the-people.co.uk/part-2-case-studies>

The company behind the applications for 5G has a number of questions around it and we now have a good case study with the Sale Moor 5G mast. Primarily does the company exist? How well is it hidden etc.

<https://www.5gmediawatch.com/post/trafford-5g-response-wdtk-1-2-3-suspended-account>

You see, he who asks the questions controls the conversation and they who do not answer who are in public office have to comply with the Nolan Principles and in this specific case study, The Nuremberg Code.

Delivered

Dear Trafford Metropolitan Borough Council,

This WDTK is supported by two Letters Before Claim, Mike Kane MP and Eleanor Roaf, TMBC Director for Public Health. A more complete

FOIR requesting a response in 7 days, dated 30.01.23 that will be sent on completion to Eleanor Roaf, Tom Ross, Andrew Western, Andrew Burnham and the circulation list. The questions are to identify those parties involved in the decision making enabling a compartmentalised Biological Chemical Weapon attack be launched alongside the implementation of a 5G EMF target acquiring trigger in Trafford.

This specifically looks at the Sale Moor mast implementation in the centre but is not exclusive to this one installation as the wider intended outcome is to reduce the UK population to 15 Million by using a combination of 5G technology and Bioweapons labelled as COVID-19 injections by 2025.

Next Cancer Cure injections will follow..

The questions never answered the account closed down. SILENCE IS SUICIDE. Pandoras Box is OPEN.

As per the Monty Python **DEAD PARROT** sketch that is as funny today as it was in my youth.

Door Opens "Ring Ring" The door bell sounds. John Cleese (Mr Prailine) says to Michael Palin.

Hello I Wish To Register A Complaint. Hello Miss, Palin says " What Do You Mean Miss"

Cleese: Sorry I Have A Cold. Today hed probably say **LONG COVID.**

<https://www.youtube.com/watch?v=4vuW6tQ0218&t=90s>

It represents a breakthrough in British Humour. We Brits do humour well.

But we dont like people taking the piss, theres a limit. Its rude.

The sketch now represents to me how the UK Government , Police and Councils have acted. Poor Service, in fact Criminal.

Palin represents statutory UK Officials, MPs UK Govt attitude. Mr Prailine/ Cleese those left standing after this marathon psyop attack.

THE PARROT represents those poor souls that fell for your bullshit and the families mourning as you dictated the narrative of psychopaths and murderers or WEF/WHO controllers, the hidden hand.

Remarkable Bird The Norwegian Blue ~ Beautiful Plumage.

The Norwegian Blue never existed. The sketch was purely about poor customer service. A lesson learned.

I will finish on courtenays line. No Virus No Test No Contagion. Your Virus. It never existed.

1. Cease & Desist Rebuttal Document set.
2. An introductory Letter to the GMCA RACI. v0.7 this is a working document that will have follow on iterations therefore constantly being updated. A separate linked email will go to DI 16455 Osmond. We can work on this document set together its all within INT/06A1/0004545/21
3. A copy of the South African Pfizer contract. This has been highlighted with glaringly obvious points that support that the UK Government & Local Council Leaders, DPH's / NHS senior staff were more than aware that Pfizer and other jab suppliers were more than likely dishonest in stating that vaccines were safe and effective. Pfizer didn't even know this as they have put it in the SA Contract terms. We need the UK Govt contract copies unredacted of all UK jab suppliers. The dates are key as these will confirm the genocide and against the audit trail of evidence to confirm who dunnit, We already know but this seals the deal so to speak. There are a whole range of issues with this contract and it could be likened to Pfizer rolling a live hand grenade across the floor, pin out and saying, its all yours SA/UK etc. Whoever signed it was either a madman/ woman or it confirms genocide was the intention. GMCA RACI v0.7 provides the linked evidence.

This evening the news has highlighted Charles III cancer situation. We have over a million dead from the jabs and heart disease and blood disorders going through the roof. It is said also that turbo cancers jab related are now the new so called pandemic. Not in mainstream media?

If Pfizer, Moderna, Johnson & J 2, Astra Zeneca put sh1T is the vials to give to an unsuspecting uninformed public what the F**K do they expect?

Im sure whichever Charles they have put forward didnt have 'the jabs as he is a WEF member. Wishing him or whoever it may be a speedy recovery.

Still no relevant response, time wasting, lies and no meeting arranged nor have Trafford Police Officers or Constables called me or contacted me as Stephen stated they would 14.12.23 Stretford.

In truth i expected this but its all part of the process and evidence build. Kate did you address the 10 Questions for Andrew Burnham? Probably not. More fudge.

I'm sure it has no links to fraud, theft, freemasonry, child trafficking, SRA or common purpose? https://www.projecthague.com/_files/ugd/b7619c_41c9ac8f11ce4225b8ad78cdae97938d.pdf : <https://www.projecthague.com/> : https://2c6f379e-ea3f-4cb5-befc-cb110018f134.usrfiles.com/ugd/2c6f37_341df4ddb6c04b32817b1a0fb49f6d00.pdf : https://2c6f379e-ea3f-4cb5-befc-cb110018f134.usrfiles.com/ugd/2c6f37_ef489bd5232a4d0ea3bc3c5899b91bae.pdf

The Silence. The reason i feel is that now the cat is out of the bag and you have all been caught out it becomes extremely difficult to hide from the truth and there is nowhere to run or disappear and as in the tale of Pandora's Box, there is no way you will stuff back in what is now in the public domain. Nothing you can say without further incriminating yourselves for lack of previous action. You are well and truly exposed.

You cant say you didn't know as this email trail going back to October 2020 gives the game away. Recent expose's linked with ex GMP Detective Maggie Oliver says GMP have a major problem internally, we know others have as protecting bent politicians, bankers and paedophile networks takes up a lot of your time and energy. There are many of us now exposing the lies and seeking the truth and bringing remedy. Wed gladly 100% back a force that wasn't corrupt but you have made life very difficult for those who have been paying your wages and not getting service. Game Over.

Thanks to those i' have met along the way who have real integrity, grit and honour. They know who they are we speak often. I thank you.
